Co-Borrower 5	Co-Borrower 6	Co-Borrower 7	Lender	

(a) The Lender shall charge to the Borrower interest on each Tranche of the Facility ('Interest') at the Applicable Interest Rate, along with applicable taxes and any other fees as mentioned in the Facility Agreement, which at the option of the Lender, may be payable upfront or periodically or at the time of Disbursement, in accordance with the terms of Sanction Letter. The interest shall be levied from the date of Disbursement of each Tranche under the Facility and shall be payable on each Interest Payment Date, until the Final Settlement Date.

(b) In case of change in risk weightage during the tenor of the Facility, due to any external or internal factors including but not limited to any revision/reset in the Applicable Interest Rate during the tenor of the Facility, breach of covenants and/or any other terms and conditions, as stipulated herein, the Lender reserves the right to change the Applicable Interest Rate and Schedule of Charges prospectively, at its sole discretion and with prior written communication to the Borrower, and the decision of the Lender shall be final and binding on the Borrower.

(c) All interest accruing on amounts outstanding under the Facility shall accrue from day to day and be calculated on the basis of the actual number of days elapsed in a year of three hundred and sixty-five (365) days or such other days in a year that is customary for any other year.

(d) Further, upon the request of the Borrower and subject to payment of applicable fees/charges including but not limited to service charges, administrative charges (plus applicable GST thereon) as stated in the Sanction Letter and/or the Schedule of Charges by the Borrower, the Lender may at its sole discretion, accede to such request of the Borrower and change the interest rate mechanism from fixed to floating or vice versa, Further, in the event there is any revision/reset in the Applicable Interest Rate during the tenor of the Facility, the Lender shall provide the Borrower with an option to switch from floating rate of interest to fixed rate of interest, only once during the entire tenor of the Facility, subject to payment of applicable fees/charges including but not limited to service charges, administrative charges (plus applicable GST thereon) as stated in the Sanction Letter and/or the Schedule of Terms by the Borrower. Thereafter, if the Borrower again requests the Lender to switch from fixed rate of interest to floating rate of interest during the tenor of the Facility, then the Lender may accede to such request of the Borrower at its sole discretion upon such altered terms and conditions as the Lender may deem fit and proper. However, in such a scenario, the Borrower will be barred from switching over to fixed rate of interest again. In view thereof, basis the reset of interest rate, the Borrower shall be provided an option for (i) enhancement in EMI or elongation of tenor or for a combination of both options, provided that the elongation of tenor in any event does not lead to negative amortization (i.e., a scenario where the EMI amount is not sufficient to fully recover the interest component); and, (ii) to prepay, either in part or in full, at any point during the tenor of the loan. In cases where the reset of tenor of the Facility is resulting in negative amortization or a breach in maximum tenor / age as per the Lender's internal product policy, then the impact of revision would be only given in the EMI amount and the Borrower shall not be given an option to increase the tenor of the Facility. The Borrower shall have to respond regarding the option which the Borrower intends to select within 5 (five) days from the date of such intimation being sent by the lender regarding the reset of the Applicable Interest Rate by any of the means appearing in sub-clause (e) hereinbelow. However, the levy of Foreclosure (Full Pre-Payment) charges / Prepayment charges on the Prepayment of the Facility in part or in full shall be as per the extant RBI guidelines in that regard. It is agreed by the Borrower that the Lender shall share quarterly statement of EMI repayments with the Borrower pertaining to the Facility. The Lender shall have the right to reset the Applicable Interest Rate (as stated hereinabove) with respect to

loans having floating/fixed rate of interest on the Facility on the Interest Reset Date. The Borrower shall be deemed to have notice of such change whenever the same is announced/notified/displayed by the Lender on its website or otherwise. In the event, the revised rate of interest as reset by the Lender is not acceptable to the Borrower, the Borrower shall have the option to prepay the Facility amount after giving a prior written notice of not less than 30 (thirty) days. However, the levy of Foreclosure (Full Pre-Payment) charges / Prepayment charges on the Prepayment of the Facility in part or in full shall be as per the extant RBI guidelines in that regard. This clause shall be applicable only in case of loans where individual(s) are part of the loan structure and the loan is not availed for business/commercial purpose.

(e) The Lender will send the communication through SMS/Whats App and Email on registered contact details of the Borrower wherever available regarding the reset of its Applicable Interest Rate along with the list of options available as a consequence of revision of the Applicable Interest Rate to the Facility. In case no confirmation or response is received from the Borrower by the Lender within the specified timeline, the Lender will revise the tenor of the Facility by default or consider enhancement of EMI in case of negative amortization or breach in maximum tenor / age as per the internal product policy of the Lender. The Borrower can download the statement of the loan account from the website / portal of the Lender which show the principal and interest recovered till date, EMI amount, number of EMIs left, Applicable Interest Rate, Annual Percentage Rate (APR) for the entire tenor of the Facility.

(g) Interest on the Limit shall be payable by the Borrower every month separately. Further, in case of reset/revision of the Applicable Interest Rate from floating to fixed or vice versa, the existing loan account of the Borrower will be closed and a new loan account will be created and registered. However, till such time the new loan account is created and registered, the default changes as per the sole discretion of the Lender with regard to reset/revision of the Applicable Interest Rate will be given effect to the existing loan account of the Borrower.

(h) Borrower shall pay interest on the Limit, the unpaid due interest and all other outstanding charges and monies (excluding the Penal Charges remaining unpaid), at the rate of interest specified in the Schedule hereto, on the outstanding daily balance, compoundable at monthly rests.

For DOD/OD Facility -Interest with respect to the OD facility granted to the Borrower shall be calculated on a daily basis as per the utilized amounts from the OD Facility available in the Borrower's Account at the end of the day. Interest shall be calculated for a period beginning from 1st day of every month to "end of every month" i.e., 28th /29th/ 30th or 31st (applicable as the case may be) day of the month during the tenure of the Facility and the same shall be payable by the Borrower by 5th of the subsequent calendar month.

However, if the Commencement Date is on or after the 21st day of the said month, then the Initial Limit shall be applicable from the Commencement Date till and including the last day of the immediately succeeding month. Thereafter, for each month, the Operating Limit shall be applicable from the first date of the relevant calendar month ("Limit Change Date") till the last date of the same calendar month (both inclusive). The Operating Limit shall automatically stand reduced on each Limit Change Date by an amount equal to L/N where L is the Initial Limit and N is the Tenure of the Overdraft Facility, designated in months as provided in Schedule hereto.

Illustration: Assuming that the Commencement Date is on or before 20th of the first month of the Tenure, and if the original Tenure of the Overdraft Facility is 10 months and the Initial Limit granted is Rs.10,00,000/- (Rupees Ten Lakhs only), the Operating Limit for the next month shall automatically be reduced by $\text{Rs.}10,00,000/10 = \text{Rs.}1,00,000/-$ (Rupees One lakh only) and the new Operating Limit shall be $(10,00,000 - 1,00,000) = \text{Rs.}9,00,000/-$ (Rupees Nine lakhs only). Similarly, for the next succeeding month, the Operating Limit available to the Borrower shall be reduced by another Rs.1,00,000/- (Rupees One Lakh), and shall become Rs. 8,00,000/- (Rupees Eight Lakhs) and so on and so forth.

Repayment Date	5th of Every Month
Limit Drop Date	1st of every month, interest will be charged on the last day of each month
Limit Drop Amount	Drop Limit each month will be equal to Sanction Limit divide by the Tenure of the OD facility. Illustration – If Sanction limit is Rs.12,00,000 and your Loan Tenure is 5 years (60 months), Limit drop each month will be Rs.20,000 $(12,00,000 / 60)$.

First EMI start Date

EMI is scheduled either on 1st , 5th or 10th of every month as per customer request. The first EMI cycle is dependent on the Loan disbursement date Please check the EMI due date as mentioned in the Loan agreement and in KFS for further clarity.

Broken Period Interest (BPI)

Broken Period Interest refers to the interest charged for the period between your disbursement date and the start of EMI interest calculation.

Continuing with the above example

- Your first EMI on 5th June, covers interest from 5th May to 5th June
- Since the loan was disbursed on 25th April, the interim period from 25th April to 4th May (10 Days) is considered as the Broken Period.
- Interest for these 10 days is calculated at the contracted ROI.

Note Although this interest is due on 5th May , it is collected in advance on the disbursement date (25th April) by deducting it from the loan amount. to ensure fairness, the corresponding interest benefit for this advance collection is credited to your loan account on 5th May, so that no excess interest is charged on Broken Period.

** The Lender may deduct upfront Broken Period Interest(BPI) amount from the disbursement amount.
